**Programs For Ages  
18 months and up!**

Your summer program here in Our World is sponsored by Creative Kids...Creative Parties run by Miss Jen, Volunteer Program Director and Miss Jean, Volunteer Special Event/Fundraiser Coordinator and of course we have a number of special helpers as well throughout the summer.

This summer, we are so happy to announce our 2010 Our World "Creative Kids Club Summertime Fun" program for children ages 18 months-5 and 6-10. You may select the number of weeks, number of days per week, as well as the time slots that fit your schedule. Please keep this copy with you at home to read and fill out the registration form and send or bring to Our World, c/o Miss Jen as soon as possible as spaces are filled fast. We are asking that all families work very hard to bring snacks and lunches that are peanut-free as well as bring a sippy cup or thermos that is labeled each day. Times of the programs are split so that you can register your child from 9-10:30, 10:30-12, 12-12:30 for Lunch and 12:30-2. Each section of the day has a variety of projects and activities so that children who are here for 1, 2 or 3 of the time periods will not repeat what they have already done.

## Important Information

Thank you so much for your interest in our summer time programs for 2010! These programs are designed to allow for children to take part in fun, creative and safe programming and you can choose the schedule that best suits your family. You may register for as few or as many weeks as you like as well as the number of days and times that work for you.

Here are a few items to help the experience be a wonderful one for your children.

1. Children may register for one or more time sessions daily with a minimum of 2 times per week.
2. Please apply sunscreen each time your child is coming to a program. We can reapply as needed but it really helps if they have a base before they come.
3. Make sure to send your child with all items needed to make there time here enjoyable.  
(Pull-Ups if needed, wipes, sippy cups or thermos etc.)
4. Although we are not officially a nut-free space due to our not being able to check every food item that arrives, we **STRONGLY URGE** all parents to respect other families who need to deal with allergies to not pack lunch with nut or peanut products. Also, if your child has an allergy, please make sure to include that information with your registration form.
5. All children need to be signed in and out daily and we need to be notified if someone other than Mom/Dad is picking up your child.
6. Please have children leave all toys at home. It is very hard to keep track of items that are brought from home although, if you feel a special security item is needed, that is fine.
7. When you arrive for programming, please use the single door to drop-off and pick up from. As you are looking at the museum, this is the door to the left of the double doors.

This summer is going to be so much fun with all of your wonderful families. Make sure to sign up and register as soon as possible as spaces are filled on a first come/first served basis.

**If you have any questions, comments or changes that need to be made, please put them in writing and leave in the Comment Box that will be next to the Registration Book daily or, call 781-383-3198 or email us at [info@ourworldcgdm.org](mailto:info@ourworldcgdm.org)**

**To stay up-to-date on all our classes, workshops, Creative Nites and Special Events, please go to our website at [www.ourworldcgdm.org](http://www.ourworldcgdm.org) and sign up for our electronic newsletter and to see our updated calendar.**
