## Class Registration Form

## Important Information

Please remember the following things when bringing and dropping a child off for a program.

1. Please pack a bag if needed with wipes, Pull-Ups/Diapers and a change of clothes.
2. Even if your child has no allergies, we have a number of children both in programs and here to visit who do. Please respect this and follow a nut-free snack and lunch as well as sending your child with a sippy cup or juice boxes/water for drinks.
3. Make sure to sign your child in and out each day with the contact number to use for that day if needed. Also, please include any change in pick up person and/or schedule for that day as well.
4. Please remember that classes are held with a variety of ages included. After we have our first class, we will adjust the groups at times to include like age children or, have them work with others depending on abilities etc. At no time will any child be made to feel sad or poorly based on any activity or project that we are involved in. We always encourage and support rather than belittle or bully.

When you and your family are playing here at Our World throughout the week, please remember to work with us in encouraging your children to clean up after themselves, use words instead of hands, teeth or feet and, ALL FOOD AND DRINK are allowed only at the tables designated for eating due to allergies, crumbs and "the gimmes, get me or I wants" that can happen when food/drinks are throughout the museum.

Please remember that any of our fun-filled and active programs **NEED** to have a **MINIMUM of 5 children** paid and registered at least 5 days before the session begins. Some of the programs need a few more than this to be able to run so make sure to get your forms in as soon as possible. You may add additional times and days to any program that is running on a pro-rated basis.

To help families in today's economy as well as remaining fair to the people who are holding programs at Our World, we have reduced the costs a bit so when broken down hourly, most of our drop-off programs are between \$8-12 per hour. If you have more than one child or would like more than one class/day per week, please speak with Miss Jen, the Program/Party Director here at Our World. You may reach Miss Jen directly by sending an email to [jen@ourworldcgdm.org](mailto:jen@ourworldcgdm.org) or by calling her at 781-923-1473 and leaving a message.

**To stay up-to-date on all our classes, workshops, Creative Nites and Special Events, please go to our website at [www.ourworldcgdm.org](http://www.ourworldcgdm.org) and sign up for our electronic newsletter and to see our updated calendar.**
